NATIONAL FOREIGN INTELLIGENCE BOARD

WASHINGTON, D.C. 20505

IC 82-3445
9 June 1982

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Walter Elder
Executive Secretary

SUBJECT: DCI Directive on National Photographic Interpretation

1. Action Requested: That you review the attached DCI directive for the National Photographic Interpretation Center and approve its circulation to the National Foreign Intelligence Board for comments.

2. Background:

The revised directive results from consultation between CIA/DDS&T and the Executive Secretary, NFIB/NFIC.

This is a service of common concern which has been provided by CIA for more than 20 years. The directive continues this function. The issue of what happens to the NSCID is left for later consideration.

A separate dialogue is under way with OGC about the philosophical status of NSCIDs. That will continue without prejudice to my objective of constructing an independent DCI directive series. Once that is done, then a decision about the NSCIDs can be made at an appropriate level.

Walter Elder
